

ARJOTH CAUSE

---

A SCROLL ON SUBTLE ENERGY

NUMBER 112.1

'ACOLYTES OF THE SACRED NAME'  
IMPERATOR GEMMON

1. Elements of the Cause Arcana constitute: **Quintessence.**
2. Quintessence is that Element which empowers Everything.
3. The Avatar is a Natural Conduit for Quintessence and Control.
4. Above and Beyond the Pattern Spheres, sits the Sphere of Prime.
5. The Study of Raw Creation.
6. The Energy that Fuels the Metaverse.
7. The Cause to Be.
8. Prime Creates Spheres.

- 9.** Because Creation requires the Weaving of Quintessential Threads, they are also Known as Pattern Spheres.
- 10.** Quintessence (or Psi/Psy) is this Energy.
- 11.** The Fifth Essence – also Known as one Definition (of many) of Spirit.
- 12.** Quintessence as Defined, can take any Form, be it Energy or Matter and All Things Inexistent and Existent.
- 13.**  $1p+( )$  or More is needed to be Existent otherwise it is Inexistent or Unmanifest.
- 14.**  $1p+( )$  is Defined as at least One Point of Basic Existent Power needed to Manifest and Become Existent.

- 15.** The Energy that causes Everything to be, the Energy that Fuels the Metaverse.
- 16.** Everything is, and has, its Basis in Quintessence.
- 17.** Quintessence is Energy.
- 18.** Quintessence is the Fuel.
- 19.** The Fuel is that which propels the Cause to Be to the Cause to Come and yet again.
- 20.** Without Quintessence, Existent Phenomenons Halt and are Inexistent.
- 21.** There is no End to the Amount of Quintessence that can Fit in the Brackets of the Following Equation:  $1p+(101372)$ .

- 22.** 1p+( ) is One Point of Quintessence.
- 23.** Without 1p+( ) an Emanation is Inexistent and Dwelling within the Unmanifest.
- 24.** Note however that 1p+( ) is the Beginning of the Sustainment of an Emanation. If one were to Unweave Quintessence, it would take one Revolution of the Simplest Psyker Gear.
- 25.** Everything Existent, is created by the Weaving of Quintessential Threads into Patterns.

- 26.** A Successful Weaving of a Quintessential Pattern, yields the Emanation, now Existent, with 1p+( ).
- 27.** More 1p+( ) increases its Relative Duration before returning to the All. Or, rendered Inexistent by the Use of a Psyker Gear.
- 28.** Prime and Psyking Resistance: 1p+( ) can be used to Create or Augment the Aegis or any Elemental String into a Psyking Resistant Artifice.
- 29.** Prime and Reflex: 1p+( ) can be used to Create or Augment the Aegis or any Elemental String into a Reflex.
- 30.** Reflex is the Return of a Psyking, from the Psyker Mind, to its Caster.

- 31.** Cycles of Prime Govern Incarnations and Lifetimes.
- 32.** Prime is the Study of Quintessence.
- 33.** With Prime, the Psyker can Manipulate and Tap into the Keystones of Cosmic Forms.
- 34.** To some, Quintessence is also Known as Ether or Odylic Force.
- 35.** The underlying Nature or the Fabric of Reality.
- 36.** With Psykings, the Psyker directs the Flow of Universal Energies to Create, Destroy and Reshape as s/he sees fit – by manipulating Energy is one way. By playing with Quintessence.

- 37.**  $2p+( )$  is Quintessence in Duplicity:  
Bipolar (positive and negative).
- 38.**  $3p+( )$  is Quintessence in Triplicity:  
Positive, Negative and a Point that can be  
Either.
- 39.** Additionally, the Psyker can Weave  
Points (threads) of Quintessence into a  
Psyker Matrix.
- 40.** A Psyker Matrix fuels a Psyking Effect  
until the Psyker Matrix is destroyed.
- 41.** Points of Quintessence are also  
Quintessential Threads. One point of  
Quintessence equals One Thread.

42. Quintessence can be used to Create Patterns.
43. Patterns are Anything Existent, even the Formless.
44. There are Infinite Manifestations of Quintessence permeating the Metaverse.
45. In Fact, the Metaverse in its Entirety is nothing but one Monolithic, Psyker Matrix of Quintessential Threads.
46. When Quintessence is Woven and One or more Quintessential Threads are combined, a Pattern is Created – as Anything Existent has a Pattern.
47. If an Emanation does not have a Pattern, it is Inexistent and Unmanifest.

- 48.** Quintessence, in the Psyker System, is also known as Psy or Psi.
- 49.** Permanence should be Woven through Quintessential Threads (Existent Emanations).
- 50.** Permanence is an Element with more 1p+( ) than the Forge. It is Beyond Ken and Ever Expanding and Oscillating.
- 51.** Remember, Everything Existent is Woven of Quintessential Threads.
- 52.** The Avatar (also known as the Godhead or Higher-self) is nothing but an Ultra-powerful Matrix – that which is God.
