

ARJOTH GEAR

a SCROLL ON THE MASS DRIVER

NUMBER 124.1

'ACOLYTES OF THE SACRED NAME'
IMPERATOR GEMMON

1. Elements of the Gear Arcana constitute: **Magnitude, Level, Number, Quanta, Speed, Multiple** and **Strata**.

The Avatar uses Magnitudes of Level, Number, Quanta, transcending Speeds in Multiple with Strata to attain to Absolute Victory to Manifest 'X'.

2. 'X' could be anything such as Telepathy, Archon, Telekinesis, et cetera.
3. This Gear uses Seven Degrees of Number. Each Degree has been defined by the Avatar.
4. At the Core of each Gear is a particular Sphere (Avatar). This Sphere multiplies the pegged Cogs of the Gear and is a Shard of the Prime Mind – Multiplication by Will – it also enables

the Gear to Evolve without the Psykers Will Working.

5. Use of a Psyker Gear is simple: Create a Simple Revolution either within the Mind or via a Focus (such as spinning ones hand in a Circular Motion).
6. Note that this Gear is attached to a Massive Array of Gears deep within the Void. One Revolution of this Gear is truly a Revolution of the Mass Driver Array or Meta-numbers.
7. Length of Time until Manifestation is unique to each Psyker. For some it will take Days or Months but for others Years.
