14. Shatter the Bind in Kether as it is the What Was, What Is, and What Will Be.

Manifest Paradise

1. This Rote is utilized to *literally* Manifest Paradise, under guidance of the Avatar. The practice is that of *Transcendental Magic*. It will do everything that the Elements of the Genesis Arcana can do, in a timeframe unique to each Psyker.
2. This Rote utilizes the First and Last of Infinite Spheres: Prime, the Source.
3. This Rote, in turn, also utilizes all of the Infinite Spheres and Elements, under guidance of the Avatar and in proper sequence. *The Avatar knows and sees All.*
3. Assume the Avatar and Focus on Prime.
4. Manifest Paradise is your Righteous Ideal, as this Rote *will not* work for a wicked Psyker as their Ideals are Grotesque, such as Raping another man's Wife.
