NUMBER 123.1

‘ACOLYTES OF THE SACRED NAME’
IMPERATOR GEMMON

1. Elements of the Number Arcana constitute: **Zero, One, Two, Three, Four, Five, Six, Seven, Eight, Nine and Ten.**
2. Zero is no-thing but a Thing of Itself. The Manifest One in and as Nothingness.
3. One is the Abstract Principle of Life-Death and All That Is and All That Is Not.
4. Two is the Physical Support, the Archetype of all Dwellings, of all Containers: without which Nothing Is.
5. Three is the Organic Movement of every Two animated by One.
6. Four is Physical Existence, as response to Life, of all that, in Nature, is

Organically Active with Three. Where the Structure is Inorganic, Four is its own Resistance to Destruction.

7. Five is the Archetype of Universal Life. When it is conferred upon Four, it allows it to Play the Game of Existence, in partnership with the Intermittent Life-Death Process.
8. Six expresses the Fertilizing Agent, that which Impregnates. It is the Direct result of Five upon Four.
9. Seven is the Achievement of every Vital Impregnation: this Number opens the Field of Every Possible Possibility.
10. Eight is the Sphere of Storage of all Undifferentiated Energy, or Unstructured Substance. It expresses the most Un-

evolved State of Energy, as opposed to its achieved freedom in Seven.

11. Nine as Archetype of the Primeval Female Energy, draws its life from Five and Builds it gradually into Structures.
